

BRITISH AIRWAYS Executive Club

Every month, our Members indulge themselves with over 67,000 flights paid for with Avios.

The Executive Club is British Airways' frequent flyer programme. Becoming a Member today means you'll find flying with us even more rewarding.

Why join?

Here are just some of the great benefits you will be getting as a Member:

Reward flights:

- Collect Avios on British Airways or oneworld® partner airline flights and spend them on reward flights or cabin upgrades¹

Partners:

- You can also collect Avios with our hotel, car rental and shopping partners. Plus, you can spend your Avios on hotels, car rental, wine and experiences²

Lounge access:

- Our Silver and Gold Members can sit back and relax with a guest in our exclusive airport lounges, no matter what cabin they're flying in

Our four Tiers:

Blue:

- Save your meal preferences ready for your next flight
- Create a household account and pool your Avios with up to six people who live with you to earn rewards faster

Bronze:

- Use business desk check-in and earn 25% bonus Avios when flying British Airways and many of our oneworld partners

Silver:

- Enjoy access to lounges worldwide with a guest when flying with us or our partners
- Earn 100% bonus Avios when flying with British Airways and many of our oneworld partners

Gold:

- Start your journey with First class check-in
- Relax in our First lounges worldwide with a guest when flying with us or our partners

Club Member since 2012

¹ Taxes, fees and charges will be payable on reward flights. Reward flights and cabin upgrades are subject to availability.

² Avios Collection and spend partners vary by location, please see ba.com for more details.

Last year, the average number of redemption flight bookings made by Executive Club Members per month was 67,497. Figures based on flight information for British Airways full, Avios & Money and upgrades using Avios redemptions between 1 December 2012 and 30 November 2013. Reward flights are subject to taxes, fees and carrier charges. Information correct as of August 2014.
